EXPERIENCE

MFT/LPCC Trainee

One Life Counselling Center, San Carlos, CA

2024 – Present

- Provide individual and group therapy to children and adolescents in two school-based after-school programs, supporting emotional regulation, addressing behavioral challenges, facilitating peer dynamics, and alleviating family-related stressors.
- Collaborate with teachers, school staff, and external providers to coordinate care and support treatment goals across systems.
- Provide individual therapy in a private practice setting to clients across the lifespan from diverse cultural, socioeconomic, and clinical backgrounds.
- Conduct intake assessments, develop treatment plans, and monitor client progress over time.
- Maintain accurate and timely clinical documentation in accordance with ethical, legal, and organizational standards.
- Develop working knowledge of insurance processes, billing, referrals, and interdisciplinary care coordination.

Intern Counsellor

Airport High School, Mumbai, India.

2023 – 2024

- Delivered supervised counseling sessions to 5+ students per quarter, each addressing academic challenges, adjustment issues, and familial concerns.
- Coordinated with teachers and parents of each student to ensure fostering a supportive environment.
- Organized 1 psychoeducation session, per quarter, for 1200+ students to address issues like bullying, inclusivity, and stress management.

Psychiatry Department Intern

Lokmanya Tilak Municipal General Hospital, Mumbai, India.

2023

- Coordinated and conducted orientation for 30+ new interns each month.
- Allocated cases to 10+ interns daily and resolved logistical issues for the psychology sub-department.
- Scheduled diagnostic appointments, managed correspondence, and disseminated patient results to 20+ patients daily.
- Observed assessments such as WAIS, ROR, MMPI, BKT, VSMS, TAT & CAT; AA meetings: sessions of patients with psychiatrists; sessions with the head clinical psychologist,

Mental Health Intern

Astitva Clinic, Mumbai, India.

2023

- Planned and executed a large-scale mental health outreach program across 5 popular locations in Mumbai, requiring meticulous logistical coordination and resource management.

- Engaged 300+ participants daily through interactive activities and psychoeducational sessions, fostering awareness and reducing stigma around mental health.
- Managed event materials, schedules, and a team of 20 people to ensure seamless execution across multiple city locations.

Mentor

The Light House Project, Mumbai, India.

2021 – 2023

- Mentored one student per academic year, providing highly focused and personalized guidance tailored to their individual needs.
- Supported students in career exploration, time management, and digital literacy to enhance academic success and personal growth.
- Coordinated with the organization to organize and participate in group sessions, complementing one-on-one mentorship.

Data Modernisation Intern

NeoGen Labs, Mumbai, India.

2021

- Counseled families of newborns with positive metabolic disorder results, providing support and guidance while collaborating with on-board doctors for follow-up care.
- Maintained detailed records for 90+ newborn screening results daily across 4 municipal hospitals using Excel, coordinating with 20 hospital technicians to streamline processes and address logistical needs.

ADDITIONAL EXPERIENCES

Reference Assistant and Support Mentor

Notre Dame De Namur University, Belmont, California.

Present

- Guided students with research queries and academic support, enhancing resource utilization, study skills, and overall academic success.
- Collaborated with the Academic Support Center Director to optimize library services while managing cataloging, organizing materials, and maintaining an accessible learning environment.
